# WELCOME

Founded in June 2017, we have grown with the stock exchange markets, and have been Bitcoin Connecting World to the global Digital Currency Trusted, established and secure. We Trade, Buy and sell Bitcoin We share the profits on the most liquid Global Markets In the forex world of trading. have been in the market since 2017 as a network marketing company also gone through option of Bitcoin mining or other cryptocurrencies with minimal expense and risk. We returns with high efficiencies. Our state-of-the-art cloud mining data center offers a great specific integrated circuit) and GPU (Graphics processing unit)machines to generate best industrial data centers with state-of-the-art technology to host the diverse and complex latest innovations and implement them in order to benefit investors. We have large-scale Our crypto mining team came from different scientific disciplines and constantly monitor Welcome mining environments. At matrixmomentum we're using world's best ASIC (Application there to chronicle the growth of the Asian economy. Starting off just as a financial portal that began by offering end-of-day stock prices, we have grown to today become a company that focuses on a set of principles and quality services that is comparable with the highest standard world over. We are very proud to state that our clientele base cuts across financial institutions, individuals, and several other corporate institutions."

## About us...

A leading investor and trusted partner for alternative assets. We create sustainable value for our clients and society.

Matrixmomentum is an award winning forex and stock broker, providing services and automated trading facilities to both retail and institutional clients. Through its trading conditions to its clients and allowing both full time and part crypto trading.

Matrixmomentum is the leading crypto trading bot for Binance, Coinbase Pro, Bitmex and more. Easy to use, self hosted trading bot software. Due to their long investment horizon and attractive risk/return profile, our alternative investments are an ideal match for the requirements of matrixmomentum given our long-term liabilities.

Investment management is an integral part of the insurance business, as the premiums of Coin

Farmland clients are invested to meet long-term liabilities.

Matrixmomentum worldwide activities comprise assets of over EUR 750 billion across a range of asset classes, sectors and countries. As a result, Matrixmomentum is directly and indirectly connected with other businesses, sectors and economies, and is therefore an integral part of the global economy.

ACP as Matrixmomentum captive investment manager for alternative assets strives invest sustainably across our three asset classes. In order to keep up with market, we incorporate Environmental, Social and Governance (ESG) factors into our investment processes, for example through our exclusion policy, research, corporate and country analysis, monitoring and risk management. We firmly believe that considering ESG factors in investment management is not a short-term trend, but will change the business.

ACP is committed to the United Nations Principles for Responsible Investment (UN PRI). Our parent company, Matrixmomentum Investors, is a signatory to the UN PRI, and so in addition to integrating ESG principles in our investment process, we also incorporate these into our ownership policies and practices and aim for appropriate disclosure on ESG issues by the entities in which we invest. Moreover, we strive to enhance the implementation effectiveness of the principles and regularly report on our activities and progress of implementation. Our commitment covers all assets we invest in.
